Notes for users of Website after 21/9/18

Layout and Devices
The same data and facilities display in a 'portrait' layout for devices such as i-phone, Galaxy etc with screen width up to 400px and in a landscape layout for devices over 400px screen width
Devices with screen width between 400 and, say, 800px will be styled appropriately soon

All online forms are active and should function more or less the same way as before ie
Couch to 5k application
Interest Register Application
Membership Application

Temporarily, **online race entry** is accessed from the homepage alert messages

A number of website sections are under refinement and upgrade of photographic material
If you have any display problems contact website@rotherhamharriers.org (with screen-width and device-type if possible)
