

Retford Half: Early Season PBs

Retford Half Marathon: Sunday 10th March

Nineteen Rotherham Harriers were in the field of 1000 runners at the 2019 Retford Half Marathon. This popular event didn't have the best weather for fast times, with strong winds and some showers, but that didn't seem to affect Gareth Sampson's performance as he won the race in a new PB of 1:11.15 - more than 2 minutes faster than his 2018 time in the same event.

Gareth, Aidan Johnson (5th), Steven Marshall (24th), and Chris Griffiths 25th took the men's team award.
