

## **Club Position in Current Covid Pandemic Rules**

**Updated 1430 on 05/01/21**

Herringthorpe Stadium formally closed at midnight last night, and will remain closed until further notice.

We await EA comment on the sport in general; the information below is **the gov.uk guidance**. The situation will be due for review on February 15th.

### **Exercising and meeting other people**

You should minimise time spent outside your home.

It is against the law to meet socially with family or friends unless they are part of your household or support bubble. You can only leave your home to exercise, and not for the purpose of recreation or leisure (e.g. a picnic or a social meeting). This should be limited to once per day, and you should not travel outside your local area.

You can exercise in a public outdoor place:

- by yourself
- with the people you live with
- with your support bubble (if you are legally permitted to form one)
- in a childcare bubble where providing childcare
- or, when on your own, with 1 person from another household

Public outdoor places include:

- parks, beaches, countryside accessible to the public, forests
- public gardens (whether or not you pay to enter them)
- the grounds of a heritage site
- playgrounds

Outdoor sports venues, including tennis courts, golf courses and swimming pools, must close.

When around other people, stay 2 metres apart from anyone not in your household - meaning the people you live with - or your support bubble. Where this is not possible, stay 1 metre apart with extra precautions (e.g. wearing a face covering).
