

RHAC Relays Event 11th June 2019

Thanks for your support for the relays.
Sadly, we have had to postpone the event

I made the request for booking the Garden Room in early May via the Rotherham.gov website.

When we checked with them this week they report that no request has been received and all the facilities are in use on the 11th.

The weather forecast is for rain on the day and we need indoor space for admin/computing.

We are now aiming at September, about 10 days before the Northern and National Relays.

Pete Humphries
